

Walk-in Pfizer COVID vaccinations in China Town

Free

**No
appointment
needed**

**You don't need
to be registered
with a GP**

**No need to bring
ID or proof of
immigration
status**

**Faulkner Street Car Park, China Town,
Manchester, M1 4EE**

Open to people aged 18+

No appointment needed, walk-in clinics:

- Sunday 25th July 1pm – 5pm
- Sunday 8th August 1pm – 5pm
- Sunday 22nd August 1pm – 5pm

Our staff will be happy to answer any questions you may have. Cantonese and Mandarin speakers available.

If you have been vaccinated abroad, we also recommend you attend. A dose of Pfizer vaccination will act as a booster and provide extra protection.

For more information

If you have any questions about Manchester's vaccination or testing programme, call **0800 092 4020** or **0161 947 0770**.

Details of all vaccination sites across Manchester can be found at manchester.gov.uk

The vaccines are safe

As of July 2021, health services across the UK have now administered over 80 million COVID-19 vaccines.

The vaccine protects you from developing moderate to severe symptoms.

It is important to get this protection even if you have had COVID.
